**Subject:** Early Work Party - This WEEKEND March 23rd!!!

---

We are in the process of ripping up walkway at the club.  
This Saturday March 23rd we would like to finish the project so we can have it frame and ready for our first work party.  
Anyone who is willing to work and is able to do this kind of work, please call me at 856-816-5120. We will be starting around 9am.  
This will count as a work party and lunch will be provided.  
Really hope we can get the younger members to join the old guys.

Rich
