General Membership Meetings:

Note about our general membership meetings; going forward, please let me (Holly) know if you would like to bring up any new business prior to our BOG meeting. Of course you can bring up new business during our General Membership Meeting. But, it is important to me that everyone gets heard and to do that, it is best to put any request to discuss any issue on the agenda prior to the start of the General Membership Meeting. And that is my role. The BOG does care about the ideas of members. Truth be told, though, we need our members to research their ideas and come with a proposed plan which includes cost and possible execution of that plan. It is the goal of the board to run meetings in such a way as to not take up the entire Saturday, and leave people with time to hit the beach or spend time with families. Sometimes the goal of everyone being heard and running time efficient meetings compete against each other.
